FISCAL ANALYSIS

ASSUMPTION

Officials of the **Office of State Courts Administrator** assume there would be no fiscal from this provision.

Officials of the **Marion County Commission** assume no fiscal impact.

Oversight assumes no state fiscal impact. Oversight assumes that by removing language that would make the office of Circuit Clerk of Division I appointive rather than elective, would make the office elected once again. Oversight assumes that there could be some election printing, and advertising costs. Oversight assumes these costs would be minimal. Oversight will show fiscal impact to local government as \$0.
